Experience

Content Writer / Rang De

08/2016 – 11/2016

- I helped 101 people in 5 months to start businesses by writing articles about their needs and thereby getting loans for them.

Content Writer / Indian Sports News

06/2016 – 08/2016

- I was responsible for writing genuine sports articles and generating maximum views.
- I was named blogger of the month and given additional cash bonus for my performance.

Private Tutor

Academic year 2015 - 2016

- Taught Calculus and Pre-Calculus to two High School Students.

Research

Wrote a solo **research paper** on a new **searching algorithm** which was published in an **international peer-reviewed journal**.

Android Development

I make different Android applications. Ex:
Scientific Calculator
Camera.
